To the members of Dallas Chapter of the Association of Legal Administrators,

I would like to thank you for your generous donation to the Family Resource Libraries at Children's Medical Center Dallas. The 423 books, hand puppets, and calendars will be a significant addition to our libraries' collections!

Due to your wonderful donation, the library staff at Children's Medical Center Dallas will be able to expand the diversity of available books for our patients and families to read. Our patients and their families are able to enjoy these books while they are in our hospital, for reading is a wonderful way for children to spend their time here. Our libraries also deliver books to over 20 clinics, waiting areas, and playrooms throughout the campus so those who cannot come to our libraries can still enjoy a good book.

Thank you for your continued support. It is always a pleasure to work with you, and the books you donated are so wonderful! Your donation helps us to further our mission to "Make Life Better for Children." Your generosity is deeply appreciated.

Happy Holidays,
